## SCHOLARSHIPS – GRADE EIGHT - 2018

St Martin's High School offers your child the best in Independent Education. The traditions and family orientation of the school form an integral part of the school. The strong system of Houses, under Housemasters and Housemistresses, ensures an appropriate level of supervision. Our House Staff play a key role in all aspects of your child's life at our school; they supervise and encourage in the academic, cultural and sporting spheres.

Our record, of producing young people who go on to excel at tertiary institutions and who are able to grasp the opportunities that are available in a changing and developing society, is well known. For the past sixteen years the school has produced a one hundred percent pass rate in The Independent Examination Board's finals and most of our alumni go on to study at South Africa's premier universities and colleges. The list of those being awarded valuable bursaries and scholarships for degree studies is impressive.

Your child is invited to write the Scholarship Examinations, for the 2018 Grade Eight intake, at St Martin's High School, 114 Victoria Street, Rosettenville, at **08h00 on Saturday 11 March 2017**. Please note that scholarships could range between 10% and 50% of tuition fees. The balance of school fees will be the responsibility of the parents/guardian.

To assist with our planning, please contact the school on 011-435-0735 or [marketing@stmartin.co.za](mailto:marketing@stmartin.co.za) **before the 1 March 2017**, to confirm a seat at the Scholarship Examination for your child.
