SCHOLARSHIPS – GRADE EIGHT - 2019

St Martin's High School offers your child the best in Independent Education. The traditions and family orientation of the school form an integral part of the school. The strong system of Houses, under Housemasters and Housemistresses, ensures an appropriate level of supervision. Our House Staff play a key role in all aspects of your child's life at our school; they supervise and encourage in the academic, cultural and sporting spheres.

Our record, of producing young people who go on to excel at tertiary institutions and who are able to grasp the opportunities that are available in a changing and developing society, is well known. For the past twenty years the school has produced a one hundred percent pass rate in The Independent Examination Board's finals and most of our alumni go on to study at South Africa's premier universities and colleges. The list of those being awarded valuable bursaries and scholarships for degree studies is impressive.

Your child is invited to write the Scholarship Examinations, for the 2019 Grade Eight intake, at St Martin's High School, 114 Victoria Street, Rosettenville, at **08h00 on Saturday 10 March 2018**.
